**SEED TRADE**

---

I N handing you my New Trade List, let me first thank you for the orders you have given me in the past, and next request that you refer to my prices whenever in need of goods in my line.

Being a *large grower*, I am enabled to sell my goods at prices that are right. Always ready to meet reliable competition, but do not care to compete with cheap, low-vitality seeds.

Shipping facilities in Rockford are unequaled in any city in the Northwest. Wire, telephone or write us your order and you can expect the goods without delay.

Prices are for delivery F. O. B. cars, Rockford, Ill.

Bags, boxes and barrels charged at value, and are not returnable.

**Seeds by Mail.** When desired, small packages will be forwarded by mail at ten cents per pound; fifteen cents per quart extra.

**Terms.** Cash with Order. No goods shipped C. O. D.

**NOTICE.**

While we exercise the greatest care in growing all our seed crops, it must be understood that, like all other seedsmen and seed growers, we give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs or plants we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are to be returned at once.

## Sweet Corn

CAUTION—Sweet Corn in bulk, even after being thoroughly cured, will often gather moisture and spoil, particularly after it has been exposed to a low temperature. To prevent this it should be taken out of the bags as soon as received and spread in a dry place.
